OMEGA - 215	
<i>Hand Counting</i>	10 Minutes
\$200 Mix of Bills & Coins >	1.5 MINUTES
OMEGA - 215	

How Accurate is it?

Precision electronics and patented error protection programs ensure absolute accuracy. With a built in intelligence learning process the more you use your OMEGA Cash Scale the more accurate it gets learning and compensating for gradual changes in bank note weight. There are a total of six protective processes built into every OMEGA - 215 cash scale to ensure accuracy.

Gemsys Money Handling Systems Inc. is a 100% Canadian owned and operated corporation. Since 1988 Gemsys has grown to become the leading supplier of money handling systems and equipment in Canada.
